**RESPONSE TO RESTRICTION  
REQUIREMENT**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Commissioner:

This is in response to the Restriction Requirement mailed February 25, 2009,  
which set forth the following groups for election:

I. Claims 1 – 20, drawn to an integrated business system having at least one  
Enterprise Resource Planning (ERP) database, at least one Customer Relationship Management  
(CRM) database, and a web server, a method for presenting and editing business data derived  
from said ERP and CRM databases, comprising: at a user computer, receiving a web page from

said web server and displaying a rendering thereof to a user in a browser window, said web page rendering comprising a plurality of simultaneously displayed portlet windows, each portlet window occupying a relatively small area within said browser window, said portlet windows being selected and arranged according to a user profile for that user...

II. Claims 21-28, drawn to an integrated business system having a web server and at least one database, a method for presenting and editing business data derived from the database, comprising: at a user computer, receiving a web page from said web server and displaying a rendering thereof to a user in a browser window, said web page rendering including a table having data cells arranged in rows and columns, each row of data cells corresponding to a common record derived from said database, each column of data cells corresponding to a common data element type stored in said database for said records ....

III. Claim 29. drawn to an integrated business system having a web server and at least one database. a method for presenting and editing business data derived from the database. comprising.: at a user computer. Receiving a web page from said web server and displaying a rendering thereof to a user in a first browser window. said web page rendering including a row-wise listing of a plurality of records derived from the database. said web page rendering further comprising a sub-record access icon corresponding to each of said records and positioned adjacently thereto...

Applicant elects to prosecute Group I, as set forth in claims 1 - 20.

Applicant reserves the right to file a divisional or related application to the claims of non-elected groups, and notes that upon an indication of allowability of a generic claim, a reasonable
